Junior High Program

Grade 7 to 9

8.30am to 3.30pm

At Hillcrest Montessori Academy, our Elementary to Junior High program follows Alberta Education standards and is built on strong academic expectations. Your child engages in inquiry-based learning that develops critical thinking, problem-solving, and advanced academic skills across all subject areas.

With small class sizes and individualized support, each student is guided and challenged according to their learning needs, helping them reach their full potential in a supportive environment.

This program prepares your child for future success by building strong foundations, encouraging real-world application, and fostering independence and confidence as a learner.

Upper Elementary Program

Grade 4 to 6.

8.30am to 3.30pm

In our Upper Elementary program (Grades 4–6), your child continues to follow Alberta Education standards while engaging in a Montessori, inquiry-based learning environment that deepens understanding across all core subjects. We focus on strengthening skills in literacy, mathematics, science, and social studies, while encouraging greater independence, responsibility, and critical thinking.

Students learn through hands-on activities, collaborative projects, and individualized support, allowing them to explore concepts more deeply and apply their learning to real-world situations. This approach helps prepare your child with the confidence, skills, and maturity needed for a smooth transition into Junior High.

Lower Elementary Program

Grade 1 to 3

8.30am to 3.30pm

In our Lower Elementary program (Grades 1–3), your child follows the Alberta Education curriculum while learning through a Montessori, inquiry-based approach that makes learning meaningful and engaging. We focus on building strong foundations in literacy, mathematics, science, and social studies, while helping students grow in confidence and independence in a supportive classroom environment.

We also place a strong emphasis on bilingual French and English learning. Your child is exposed to both languages daily, helping them develop natural communication skills, stronger understanding, and early fluency. This solid foundation prepares them for continued success as they move into Upper Elementary and beyond.
